sires of Twin Valley Farms

**FAIR GROUNDS PAVILION — 12 NOON**

**Oskaloosa, Iowa**

# General Information

**LOCATION**—The sale will be held at the Oskaloosa Fair Grounds at the northwest corner of the city of Oskaloosa—in a heated building.

**TIME**—This sale is a complete dispersion. Many cows will sell with calves at foot. Due to the large number to be sold, the sale will start promptly at 12:00 o'clock NOON (Central Standard Time) on Feb. 21, 1957. The cattle may be inspected at the Fair Grounds 3 or 4 days prior to the sale. Lunch will be served on the grounds by the Central Reformed Ladies Aid of Oskaloosa.

**TRANSPORTATION**—The sale headquarters will be at the Fair Grounds. We suggest that those traveling from a distance, make reservations in advance. Oskaloosa is blessed with good Hotels and Motels. Oskaloosa can be reached by selecting a good road map and following highways 92, 163, 63, and 137 from East, West, North or South. Oskaloosa also has an airport.

**TRUCKERS**—Reliable truckers will be available, and we will assist in securing trucks at reasonable prices.

## **AUCTIONEERS—**

J. E. HALSEY, Des Moines, Ia. — HARVEY NEIDERHISAR, North Liberty, Ia.

**CLERK**—John L. Maxwell, Wellman, Iowa.

**MAIL BIDS**—We realize these cattle will not be in show shape because they have their work clothes on, and that is what they are used for on the Twin Valley Farm. A cow is no good to us unless she pays her way. And I think under the short notice we here at Twin Valley have had, we have them in good producing shape. Bids may be sent to the following:

CLEM LARSON—Shorthorn Breeders Association

TOM W. SHERLOCK—Wallace's Farmer & Iowa Homestead

KENNETH FULK—Iowa Beef Producers Association

JACK E. HALSEY—Box 1317, Des Moines, Ia.,—or

HARVEY NEIDERHISAR—North Liberty, Ia.

We would rather have you come in person, but sometimes conditions will not permit.

MRS. C. EMORY STEWART, Executrix.

# **Terms and Conditions**

1. Terms of sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off, but will not be released until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.
3. All animals in the sale have been tested for T. B. and Bang's disease within 30 days of the sale, and health certificates will be furnished.
4. A certificate of registry and transfers will be furnished for each animal sold as a separate lot and properly signed application will be furnished for the registry of all calves at foot and all unborn calves.
5. Announcements from the auction block will take precedence over printed matter in the catalog.
6. We do not assume any responsibility for accidents, but will take every precaution for the safety and comfort of our guests.
7. Nearly every cow in the herd either has a calf at foot or shows every evidence of being well forward in calf. As this is a dispersion sale, no guarantee will be given except these herd bulls: Louada Formation, Twin Valley Banker, Westmere Elect, Westmere Elect 5th, if they are now allowed to run with the herd, and if they are maintained in as good condition as when purchased, and we are notified within 60 days after sale date.
8. The above terms constitute a joint contract between Twin Valley Farms, the sellers, and the buyer of each lot. Neither the sale personnel or anyone connected with the sale will assume any liability, legal or otherwise.

*C. Emory Stewart*

Our father moved to what is now called Twin Valley Farms with our mother in 1918. With him he brought a few Shorthorn cows he had purchased from his father. Although times were hard, and the future uncertain, he managed to hang onto his 160-acre farm and his Shorthorn cows. With careful planning and an eye to the future, he added more land until it reached its present total of 786 acres.

As his family grew, and his thoughts developed to bigger things, he continued to improve his Shorthorn herd by careful and conservative purchases of good quality herd bulls. His herd was becoming a challenge to any and all comers.

He was our County Supervisor for two terms, resigning in his third term to become our State Senator from Mahaska County. He was a hard and vigorous, but fair-minded campaigner.

He was a firm believer in Shorthorn cattle and worked many, many hours in the promotion of them. Words, alone, will never express how much we here at Twin Valley, thought of our Father. He built his farm with what he had, and his Shorthorn herd with what he could, and knowing full well that Shorthorn cattle are in our blood, we will never let the name of C. Emory Stewart & Sons leave the Twin Valley Farms, which he worked so hard to build.

Look over his work and buy a brood cow that will put you in the Shorthorn business. And, above all, pay what you think they are worth.

THE STEWART FAMILY.

Louada Formation

No Shorthorn herd in North America is producing more top quality herd bulls than the Louada Shorthorn Farm at Peterborough, Ontario, Canada, and they are eagerly sought by the best breeders, and at top prices. Louada Formation was brought to Twin Valley Farm from this same Canadian herd, and has, as expected, given us some very good calves. Many of the cows listed in this sale are bred by this outstanding bull.

T V Matrimony 4th

**This heifer shows you the good type and quality of these Twin Valley females. They have been winners of high honors at all of the Midwest Fairs during recent years.**
